

MX5 - 25th ANNIVERSARY

In November 2007 a group of Miata enthusiast's gathered at the Dogfish Head brew pub in Rehoboth Beach DE. and **Miata Owners On Delmarva (MOOD)** came to life. From then on we have traveled the length and width of the Delmarva Peninsula promoting and exhibiting our Miata's wherever we go.

From the Longwood Gardens Jazz Festival in PA. in the North, to Bloxom VA. for the Wine Festival in the South.

From Seaford DE, to Chincoteague VA, on our annual Toys For Tots drive.

From Rock Hall, Kent Narrows, Easton, Cambridge, Crisfield, or Pocomoke City on the MD. Bay side,

to Ocean City, MD, for a drive down the Boardwalk on our annual Bay To The Beach drive to raise funds for the Home Of The Brave Foundation.

From a few laps around the Monster Mile at Dover International Speedway in Dover DE,

to the Nanticoke Riverfest in Seaford, DE.

From our annual Photo Rally held in various locations on Delmarva to bring awareness to breast cancer and to raise funds to benefit Women Supporting Women,

to fitting 11 Miata's on the Oxford to Belleview ferry on a drive to St. Michaels.

From Blackwalnut Point on Tilgman Island,

to the lighthouse on Fenwick Island.

On the Delmarva Peninsula you can't help but get in the **MOOD!** A long winding road, top down, sun overhead, wind in your face... the buzz of your engine is met with a chorus of shifting gears as a ribbon of small colorful cars moves through the countryside.

If you are ever on the Delmarva Peninsula, come join us in discovering new roads, new places and new friends...

HAPPY 25th ANNIVERSARY MX5 MIATA!
